Later in the day Henderson called and said he had discussed this matter with Carl Marcy, Staff Director of Senate Foreign Relations, who said he felt it would be helpful both to the Agency and Senator Fulbright to know who in the Agency contacted the White House and who the White House representative was. Marcy feels that Senator Fulbright might raise this question with the President and it would be helpful to all parties concerned if the persons who made this contact were known. I told Menderson I would check on this and be in touch with him. 25X1 Jay Sourwine called to say that the Senate Internal Security Subcommittee is planning to call to testify on the Cuban situation.
